PACKAGING BROCHURE

Background

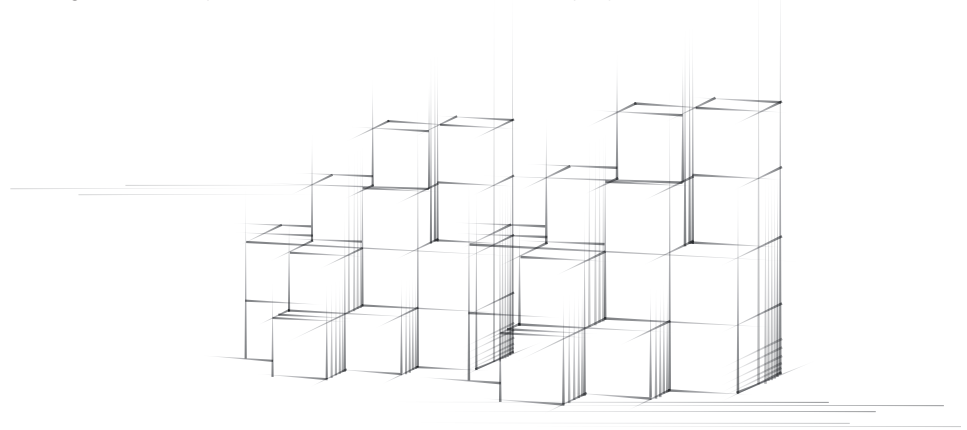

AXIS Pac (Pty) Ltd, a packaging distribution company, is part of the New Africa Petroleum (Pty) Ltd (NAP) group, a company set up in 1997 and operates in the petroleum sector. Axis Pac began trading in September 2005 from a warehouse in Honeydew, Gauteng. The company has a strong track record great service as a packaging material distributor which has resulted in significant growth over the past years. New Africa Petroleum is a Level 3 BBBEE company.

Vision

To be a significant player in the packaging distribution industry, through the empowerment of our people and provide relevant product mix and quick access to the markets. The ultimate vision of management is to tap into new markets and extend the company infrastructure.

Core Values

- Honesty
- Team work
- Trust
- Hard work
- Integrity

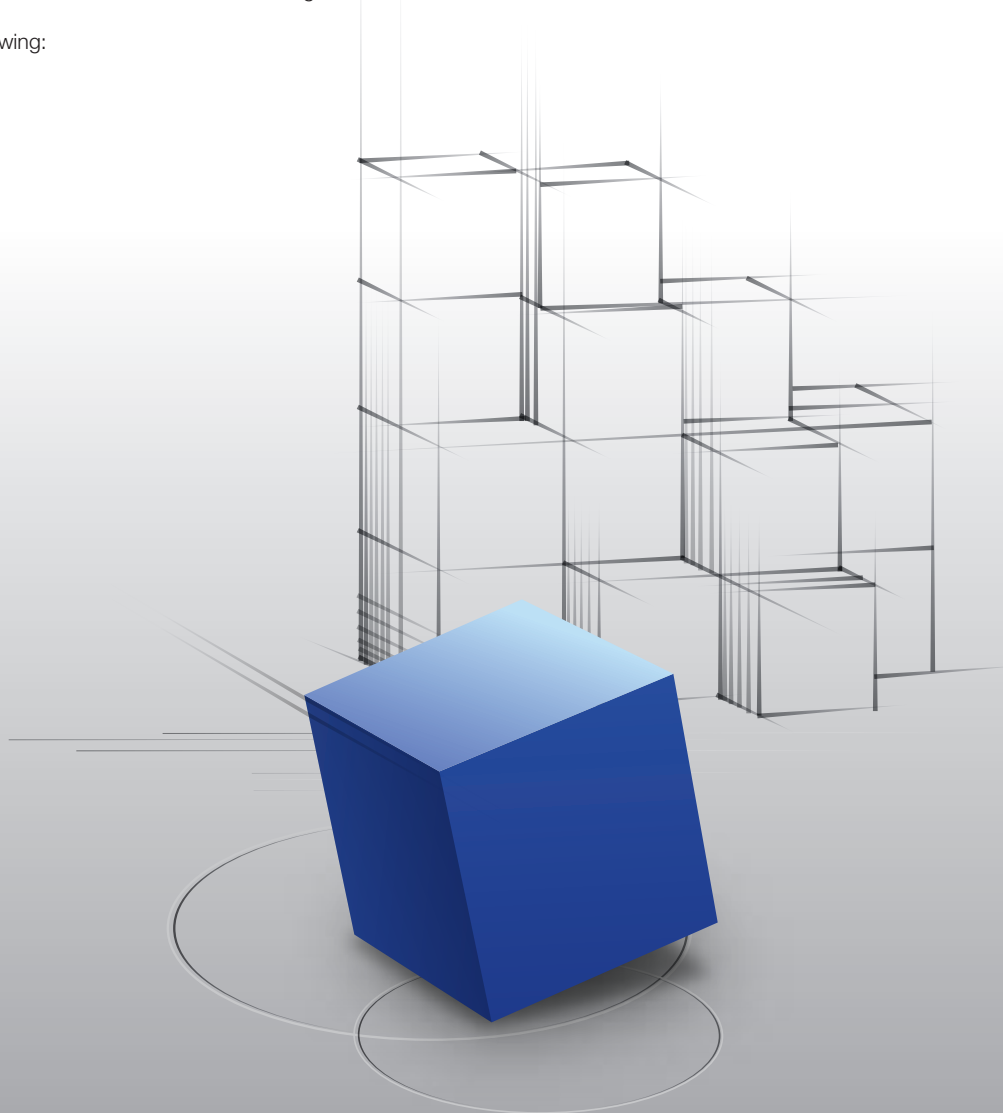

Service Offering

The predominant product lines that service Axis Pac's customer base are plastic; foil and paper based. These are sold directly to retail outlets for food packaging and preparation. There is a smaller product set that consists of perishable, long shelf life food line items, cleaning materials and utensils that again create barriers to entry for competitors based on a full service offering to the customer outlets.

Axis Pac product range includes the following:

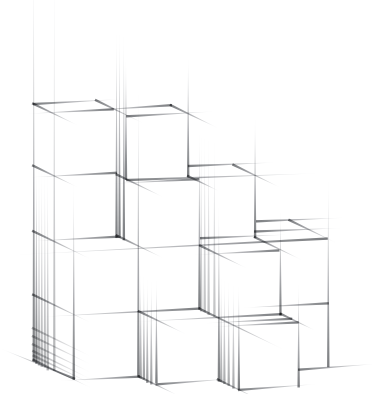

- Cleaning Detergents
- Sanitary Paper Products
- Sauces
- Cleaning Hardware
- Serviettes
- Disposable-Protective Clothing
- Clear Plastic Bags
- Straws & Plastic Cutlery
- Film Wrap & Polypads
- Refuse Bags
- Till Rolls
- Foil & Fomo Containers
- Carrier Bags
- Tubs & Lids
- Cake Boxes
- Vacuum Bags
- Cups & Lids
- Pizza Boxes
- Brown Paper Bags
- Thermo Pac & Marco ware
- Sachets and Sweets

Certain key success factors have enabled the success of Axis Pac.

These success factors are:

- Over 7 years of industry experience
- The special relationship that exists between sales staff and its customers
- Experienced hands-on directors who operate and handle day to day operations efficiently.
- Commitment by management and staff to customer service and turnaround times.
- An effective, strong, centralised accounting system and administration function.
- Competitive pricing structure

Our Staff

The company has a team of 5 Sales Representatives who cover the following areas West Rand, East Rand, Sandton Area and Johannesburg South. They are supported by an operations and Administration team whose function is to ensure that any client order received before 08h00 will be delivered on the same day. Any client order received after 08h00 will be delivered the following day.

Shareholders and Board of Directors

Pinky Moabi, BCompt (Unisa), MAP (WBS). Pinky is the current managing director of NAP and has been an executive director at New Africa Petroleum since 1997. She was previously the group financial manager for Thebe Industrial Holdings (a subsidiary of Thebe Investments). Her vast experience within the manufacturing sector includes the seven years working in the commercial division of Unilever. She spent three years working at the Unilever Foods Division Head Office in Rotterdam, Netherlands. Pinky sits on various boards and was the Chairperson of the Audit Committee in the Presidency from 1998-2007.

Winky Makasi BSc (Fort Hare), MAP (WBS), MBA (WBS), EDP (Kelloggs Business School, Chicago). Winky has been with New Africa Petroleum as the operations director since 1997. He is currently NAP's business development director. Winky was previously a consultant with Gemini Consulting and spent 10 months consulting at Sasol Secunda. Winky has over ten years general management experience including factory management. His business experience was broadened when he spent three years with Unilever in Vlaardingen, Netherlands.

Joe Bishop joined Shell after he matriculated. He is the operations director for NAP. Joe gained significant experience in the fuel industry and operated the Kensington Gardens Service Station for 14 years. In that time he won several Shell awards. During this time he also chaired the Regional Dealer Council and the National Dealer Council. Joe sold Kensington Gardens in 1997 and then consulted to Shell on the new Franchise. He later rejoined Shell S.A for 2 years and was MD of Future Petroleum, running 52 sites for them. He has been to the USA to do a fact-finding mission on Convenience Stores and to London to do the same for centralised distribution.
